

Introducing a weight loss **BREAKTHROUGH**

NEW MAXIMUM STRENGTH!

Gone4Good™

Glycemic Regulator, Calorie Reducer and Fat Metabolizer

Gone4Good™ is the perfect solution for those who struggle with stubborn, hard-to-lose fat.

Gone4Good™ is designed to:

- help reduce the absorption of fats and carbs
- lower the Glycemic Index of foods at mealtime
- enhance fat metabolism
- diminish hunger
- improve glucose tolerance
- increase lean body mass and reduce calories

Gone4Good is a delicious tasting drink that accelerates weight loss and will help you lose those stubborn, unwanted pounds and inches.

Designed to work synergistically with both the Suddenly Slim 10-day and 28-day programs.

YOUR ANSWER TO GETTING RID OF STUBBORN FAT!
