Maximum Joint Protection

Rejüvancel is formulated to help protect, lubricate, and support healthy joints and cartilage.

Rejüvancel provides support for joint health and contains Glucosamine Sulfate, Chondroitin, Grape Seed Extract, and Shark Cartilage to address joint discomfort and issues with flexibility and mobility.*

The supply of vital nutrients provides optimal support for joint health and helps support skin and connective tissues.*

Rejüvancel's antioxidants and vitamins also encourage the development of connective tissue and helps to improve quality of skin, hair, and nails.*
